White Oak Boat-In Campground is one of two boat-in campgrounds on Laurel River Lake, on London Ranger District. The area is accessible by boat or by Cold Rock School Trail (3 miles) that begins near the Marsh Branch Boat Ramp.

The campground has 51 lakeshore campsites, most of which are located near the water's edge with moorings available. Sites have a tent pad, picnic table, fire ring and lantern pole. Self-serve pay stations, water and vault toilets are centrally located. There are no flush toilets or showers. The sites are wooded and spaced far enough apart to provide a sense of seclusion. The campground usually fills on weekends during the peak camping season.

The lake provides 5,600 acres of deep, clear water and miles of tree-lined shore, making it one of the most scenic lakes in Kentucky.

FOOD STORAGE REQUIRED. Visitors in developed sites must store food, garbage and other odorous items that may attract bears in a bear-resistant container, inside their vehicle, or in an enclosed hard-body trailer. Backcountry campers must suspend food, garbage and odorous items at least 10 feet off the ground and four feet away from any tree or pole. All food leftovers and trash must be properly disposed of in a bear-resistant trash can or other container where provided by the Forest Service.
